Accommodation

We have two types of accommodation available, residential and home stay.

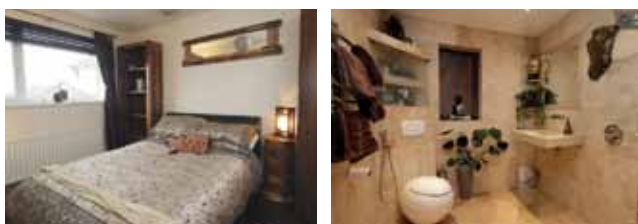

Residential Accommodation

Our residential accommodation is a 5 minute walk from the school and main shopping street. The accommodation is located within the Northumbria University Campus and the buildings are safe and secure. It also includes breakfast, a packed lunch and an evening meal. The group leader will have a room in this accommodation for free.

Transport to the School: No transport is required.

Home Stay Accommodation

Staying with a British family is one of the best ways to improve your English quickly. Our dedicated home stay will help you experience the British culture here in Newcastle upon Tyne. We try our very best to accommodate your specific needs. All of our families are located in and around the city centre for your convenience.

Transport to School

The student will be provided with a bus pass so that they can travel to and from school.

Supervision and Monitoring

Students are expected to attend all lessons and activities according to a timetable given to them on the first day of their course. Newcastle International School staff will accompany the students at all times on excursions and activities. Our courses provide a high ratio of supervisors to students. On excursions, the ratio is one member of staff for every ten students. On the first day of the course our staff will explain all matters affecting students' personal safety.
